

## Temporarily Closed & Moving Location

*Dear Loyal and Valued Members,*

*We have always wanted to continue to provide health and fitness to our wonderful community in a high service, clean and friendly environment. Thankfully, we get to continue to do it with a new partner in **Balanced Fitness and Health**, who have serviced the downtown community for the past 8 years.*

*We will be moving the operation a block away to **7680 Girard Avenue, Ste 200**, which is the Bank of America building. With the new tenant improvements, we will have the ability to offer an open-air facility approved by all County regulations as well as health protocols to ensure the safety of all members and to continue to operate safely. We will need a bit of time to make the appropriate tenant improvements but we hope to be ready to reopen once the State Health Department allows operations.*

*We will send more information on the layout when we get closer to opening, there will be better air flow throughout the space among other enhancements. We still have our billing paused and will not be invoicing again until we are open at the new location. Your partial month membership from closing half way through November will be accounted for and moved over to the new space.*

*We want to thank every one of you for remaining loyal to our fitness family. We love our members, staff and our community. We plan to bounce back better than ever after this very difficult year. Our goal is to continue to be the friendliest place in La Jolla and we wish you happiness and health.*

*Happy holidays!!! We hope to see you all at the new place very soon.*
